Updates and news from the City of Livermore

04/19/2016

## In this Issue

- Message from Marc Roberts
- Volunteer Fair
- Community Food Drive
- Community Service Projects
- Lawn to Garden Party

**“You make a living by what you get, but you make a life by what you give.” ... Winston Churchill.** Did you know that over 1,600 City volunteers donated 47,000 hours last year? Activities ranged from clerical assistance to arroyo clean-up. More recently, our two Rotary clubs donated the Carnegie Park Bandstand. Celebrate Community Service Day with us on Saturday, April 23 – there’s lots going on! Marc [citymanager@cityoflivermore.net](mailto:citymanager@cityoflivermore.net).

**Volunteer Fair** – Looking for a local organization or non-profit that needs volunteers? Then stop by Carnegie Park downtown on Saturday, April 23 from 11 am to 1 pm. The City has partnered with CityServe of the Tri-Valley to connect residents with local organizations and volunteer projects. Simple and easy! Contact [www.cityservetrivalley.org](http://www.cityservetrivalley.org) for details.

**Community Food Drive** – CityServe and the City are also hosting a canned food drive to benefit the Tri-Valley Haven Food Pantry and Shepherd’s Gate. Donation containers will be available on Saturday, April 23 at Carnegie Park during the Volunteer Fair. Questions? Please email [micheleblock@hotmail.com](mailto:micheleblock@hotmail.com).

**Community Service Day** – On the morning of Saturday, April 23, 2016, businesses, service clubs, schools and churches will be working on specific City-wide projects as part of Community Service Day. If you have a passion for creek clean-up, park landscaping, or graffiti abatement, please contact Jeff Shafer, Maintenance and Golf Operations Manager at 925-960-8020 or [jshafer@cityoflivermore.net](mailto:jshafer@cityoflivermore.net). The work session is from 8 am – 11:30 am, and lunch will be provided.

**Lawn to Garden Party** – The City is hosting a “Lawn to Garden Party” in partnership with Stopwaste.org on April 23, from 9:30 am to 1 pm. Volunteers have already been selected to convert a portion of the lawn in front of the City’s Maintenance Service Center at 3500 Robertson Park Road into a drought tolerant garden. Come watch and learn!
