The hot days of summer have arrived with lots of time for fun with family and friends like fireworks and neighborhood BBQs. Other possible activities include teaching someone to read or acknowledging a neighbor's amazing yard. Read below for details. Despite these busy days, please mark Thursday, July 14 on your calendar to share your feedback on downtown development at a community workshop from 6:30 -9:30 pm at the Robert Livermore Community Center at 4444 East Avenue. For questions about this workshop contact: DowntownCatalystProj@cityoflivermore.net
