EAST	_____	_____
WEST	_____	_____

3. Attach a map illustrating the General Plan land use designation and current Zoning of all properties within 300 feet of the property.

4. Normally, General Plan amendments for property previously considered may not be reconsidered for a period of 2 years. To your knowledge, has there been a General Plan or Zoning Application on this property within the last 5 years? YES NO If YES, what year? _____

5. Identify those reasons why the City as a whole will benefit from this proposed change in the General Plan?

6. Describe in detail the reasons for this change in the General Plan.

7. Describe any policies of the General Plan which apply to and support this proposed General Plan Amendment.

8. Briefly describe all marketing, appraisal and similar studies which would tend to justify this General Plan Amendment. Attach copies of each study.

9. Attach any biological studies, traffic studies, etc., which have been completed on the site and/or for the project. Please note that such studies may be required for the environmental review of the proposal.

10. City policy requires applicants for General Plan changes to contact all property owners and residents within 300 feet to inform those owners of the proposed change, and any potential impacts upon them. Attach a copy of your notification letter, and describe the known responses of those owners, both for and against. Attach your mailing list to owners and residents for verification.

11. Based upon the community input described above, what changes, if any, were made in this application?
